

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)**

CIRCULAR

VPN services are being requested by Railway Board officials for access of E-office. However, it has come to notice that some officials having Railnet at their residence are sending demand for VPN services. In this respect it is highlighted that officials having Railnet at their Residence can easily access E-office without any support of VPN services. Hence, Railway Board officials are requested to provide the VPN service request in the following format, after being duly approved by ED/JS or above level officer.

FORMAT:

“Following officials of _____ Directorate may please be provided with VPN Services:

<i>SN</i>	<i>Name</i>	<i>Designation</i>	<i>Mobile</i>	<i>NIC e-mail used for E-office.</i>

It is certified that the above officials requesting the VPN services do not have Railnet at their Residences.

Signature:

Name:

Designation:

(Name, Designation and Signature of ED/JS level or above officer)”

The above format is available on dir.railnet.gov.in .
